

Further information for participants

Further information for the participants upcoming in the meantime will be regularly updated here in this file. Please check it from time to time.

1st Update: August 26, 2014

The time for the bus transfer to the ship hosting the Conference dinner has shifted from 18:00 to **17:00**.

The ship starts at 18:00 from the ship stop *Märkisches Ufer*
(Other bord of the Spree river *vis-à-vis* S-Bahnhof Jannowitzbrücke)

Due to this time shift, the mediated poster discussion for P22 - P34 was divided into two groups: P22 - P28 on Wednesday, P29 - P35 on Thursday.

Please note the new *Program Time Schedule* on the website.

2nd Update: August 28, 2014

Presentation files should be in the formats *.ppt, *.pptx, *.pdf.

Those who wish to use exclusively their own **Macintosh** computer for the presentations need **adapters** (DVI, VGA, HDMI) for connecting them with the projector / beamer.

3rd Update: September 1, 2014

The key lectures of Prof. Pielichowski (KeyA4) and Prof. Ziegmann (KeyD2) have now inverted positions in the time schedule.

Due to time problems of the presenters being also active in the conference organisation, the late-nominated poster P35 of Flügel & Kemnitz will be discussed together with the group of P22 - P28 on Wednesday.
